Use the matrix below as a decision-making tool when comparing multiple job offers. You may find it helpful to prioritize the importance of the items listed before you begin the employer comparisons. Keep in mind all of these factors may not be applicable for summer and or full time positions but it will help you to begin thinking about your personal job values.

| Job Offer Comparison | | | | |
|---|----------|------------|------------|------------|
| In the "My Needs" column, weigh the criteria on a scale from 1 to 10 (1 = least important, 10 = most important) to determine your value for each factor. Next, on a scale from 1 to 10, weigh how well each employer satisfies each of the criteria. Finally, total the columns. The higher the score, the closer the company comes to matching your needs. | | | | |
